Welcome to ACPUGMEC & ACPPGMEC!

Message from Honorable Health Minister Shri Rushikesh Patel

It gives me immense pleasure to share with you that Department of Health & Family Welfare in Co-ordination with Chairman (Commissioner of Health, MS & ME), ACPUGMEC, Gandhinagar are publishing information booklet for undergraduate students. Admission is an important stage in development of professional career of student. There are many queries regarding availability seats, fees status and admission process. This information booklet provides all necessary information related to admission process in Gujarati language. The admission Committee is committed to maintain transparency in whole admission process. I ensure that new version of information booklet is more informative, user friendly and adds convenience to the user. It provides valuable information of all aspects of admission process like, list of institutes, availability of seats, fees status and other details of institutes, admitted list, closure of previous years and current year, information on bond etc. I congratulate admission committee for their efforts of publishing information booklet in short period of time. Information booklet will act as a ready reference guide about admission process for students and parents.

Welcome to ACPUGMEC & ACPPGMEC!

Message from Honorable Minister of State Health
Smt. Nimishaben Suthar

It is my pleasure to announce that the Admission Committee for Professional Undergraduate Medical Educational Courses (ACPUGMEC) is carrying out the admission process of undergraduate medical, dental, ayurvedic and homeopathic courses online smoothly and in user-friendly manner through a new updated version of its website: www.medadmgujarat.org. The committee has also prepared an information booklet in Gujarati language for helping people of Gujarat. This new information booklet will be helpful for all students and parents for getting information about whole admission process, rules and regulations and help them in process of admission; a crucial phase of life. All the members of the Admission Committee for Professional Medical Educational Courses are working hard to meet students' demand and complete the process of admission as set by the central and other regulatory authorities.

I wish success to the Admission Committee for Professional Medical Educational Courses and its members for this process.
