TRANSFORMING LIVES

Holistic Approach to Education

Over 200 acres sprawling campus in the foothills of Himalayas, using globally recognized pedagogy, we provide education and lots of opportunities for research, extra-curricular & co-curricular activities necessary to become an all-rounder. In addition, mentoring, meditation & Science of Joyful Living workshops help students grow as complete individuals.

Integrated Health Care Services

Being the First NABH accredited private teaching hospital of the state, our doctors at Himalayan Hospital work with multidisciplinary team of clinicians, physicians & surgeons and combine treatment with other therapies & procedures. Moreover, patients can also leverage the services of Ayurveda Center and Yoga Department for prevention and cure.

Rural and Community Outreach

Since 1998, we have significantly contributed in the field of Health, Education, Livelihood, Water & Sanitation and Energy & Conservation in the hinterland of Uttarakhand, both as technical & implementation agency through strong partnerships with the Government, national & international and community-based organizations using innovative and evidence-based delivery mechanisms.

THE GUIDING FORCE

Born in 1925 in Toli, Malla Badalpur, Pauri Garwal, Uttarakhand, H.H. Dr. Swami Rama, a great Yogi, Philosopher, Scientist and Humanitarian, was mentored and inspired by many adepts, including Mahatma Gandhi, Sri Aurobindo, and Rabindranath Tagore. He received his higher education at Bangalore, Prayagraj, Varanasi, and Oxford University, England. In 1960 he completed his degree at the medical college in Darbhanga.

Swami Rama was initiated as Shankaracharya of Karvirpitham in South India in 1949. He renounced from the prestigious position in 1952 to return to the Himalayas and intensify his spiritual practices.

He worked as a medical consultant in London and assisted in parapsychological research in Moscow. He then returned to India, where he established a clinic and ashram, Sadhana Mandir Trust (SMT), in Rishikesh. Later he went to Japan, where he established a major spiritual centre.

At the behest of his master, he went to the United States in 1969, to build a bridge between east & west and demonstrate scientific way to spirituality.

Under laboratory conditions, Swami Rama demonstrated control of involuntary physiological parameters. These experiments were reported in many leading scientific journals and set the stage for the recognition of the psychosomatic origins of a majority of diseases, the development of bio-feedback and holistic paradigms of health.

His Yogic feats found special mention in Encyclopaedia Britannica 1973.

In the early 1970s, Swami Rama established the Himalayan Institute of Yoga, Science and Philosophy at Honesdale, USA.

He conceived and founded Himalayan Institute Hospital Trust (HIHT) in 1989 at Jolly Grant, Dehradun. The Trust opened a multi-specialty hospital in 1994 and a medical college in 1995 and continues to serve the people of Uttarakhand and India in the field of health, education, rural development, youth empowerment and much more.

13th November, 1996, Swami Rama left the mortal body however, the visionary sage continues to be the guiding force of the organization.

*"Your real education
begins when
you learn to explore and
discover yourself"*

- HH Swami Rama

MISSION, VISION & PRINCIPLE

Mission

शिक्षा, अनुसंधान, नवाचार और प्रौद्योगिकी के माध्यम से ज्ञान के सृजन और प्रसार में उत्कृष्टता पोषित कर जीवन को परिवर्तित करने के साथ-साथ श्रद्धेय श्री स्वामी राम के आदर्शों के अनुरूप सामाजिक उत्थान के लिए बहुआयामी मानवीय अवसर प्रदान करना।

To transform lives by nurturing excellence in the creation and dissemination of knowledge through education, research, innovation and technology besides providing multidimensional humanitarian opportunities for social upliftment in accordance with the ideals of Swami Rama.

Vision

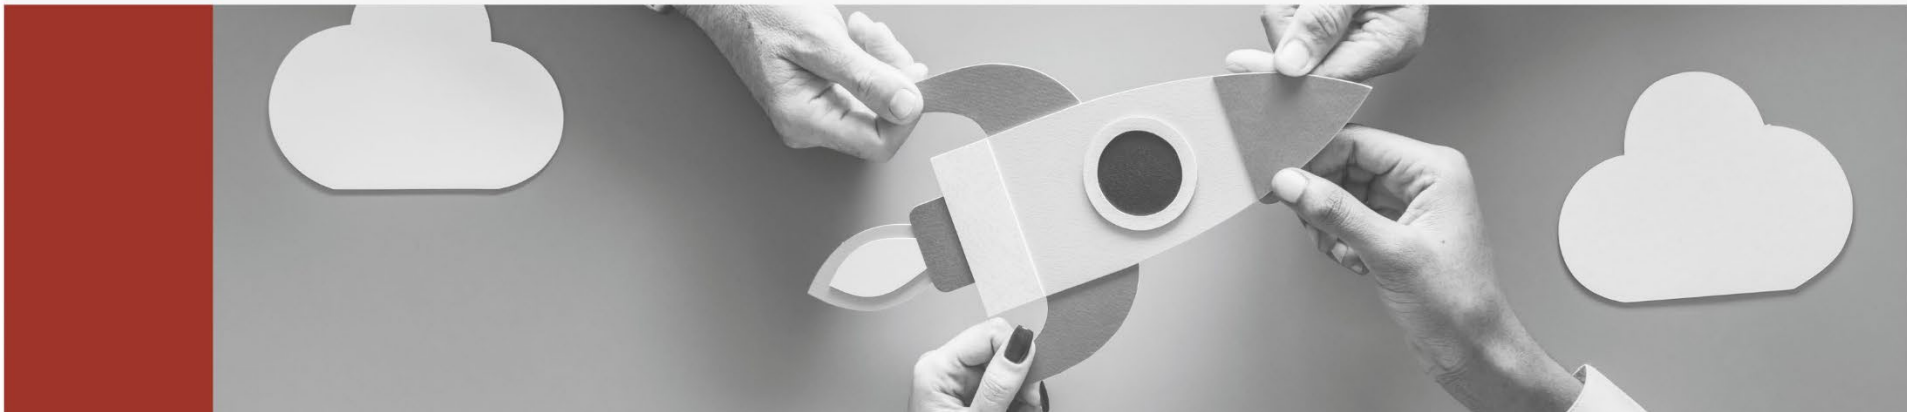

समग्र और विकासवादी शैली द्वारा गुणवत्तापूर्ण शिक्षा और स्वास्थ्य सेवा प्रदान करके एक प्रमुख विश्वविद्यालय के रूप में पहचान बनाना।

To be recognized as a premier university through providing quality education and healthcare in a manner that is holistic and evolutionary.

Principle

प्रेम | सेवा | स्मरण

Love | Serve | Remember.

GOVERNANCE

LEADERSHIP MESSAGES

Dr. Vijay Dhasmana
The Chancellor

Swami Rama Himalayan University (SRHU), established with the consent of State Government of Uttarakhand in 2013, carries forward the legacy of Gurudev H.H.Dr. Swami Rama, who founded the 'Himalayan Institute Hospital Trust (HIHT)' - the Promoting Society of SRHU.

Our programs imparted by distinguished teachers & researchers are at the forefront of education & healthcare delivery system in the region.

Our sprawling campus offers unsurpassed facilities. The students who walk the corridors of our university, not only reach out to their potential as academic achievers, but also prove themselves as all-rounders in their respective careers.

I assure you that your choice of selecting this University will emerge as an important milestone in your life too.

India ranks 3rd in the World in terms of research output. Having a strong focus on Science & Technology which is a key element for economic growth. The University is providing the right environment a complete ecosystem in place for aspirants to take up research & development. Consolidating & strengthening of the Intellectual property Centre & establishment of incubate knowledge based start-ups offers remarkable academic resource and will add on value and holistic growth at SRHU.

The university already pioneered in the fields of Medical, Paramedical, Nursing, Biosciences, Management, Yoga Sciences, Vocational & Social outreach activities for almost three decades.

I welcome and invite you to Swami Rama Himalayan University. An epitome of excellence for students seeking self-realisation not only academically but also in the significant areas of their lives be it socially and spiritually.

Dr. Rajendra Dobhal
The Vice Chancellor

OUR STRENGTH

Academics

- Leading academic institution since 1995
- 2 Researchers recognized as top 2% Scientists of the world by Stanford University, USA
- 7 academic schools / colleges
- 45+ Teaching Departments
- Diverse programs
- 70+ National and International Collaborations
- 200+ Organizations for Placements
- Impressive experienced & competent faculty
- 1100+ Research Papers in National & International Journals
- Largest Skills & Simulation Center of Excellence in the State
- 100+ State-of-the-art Research & Teaching Laboratories
- 200+ acres of green Campus
- 1200+ Beds Largest Private PG, Super Specialty, Teaching Hospital of North India
- 10,500+ Alumni all over the world
- 40000+ Printed Books, eJournals, and eBooks across disciplines in Central & College Libraries

Himalayan Hospital

- Topmost Leading Hospital for patient care under AYUSHMAN Scheme
- First NABH Accredited private teaching hospital in the State
- First Kidney Transplant Center of the State
- First and the Largest Dialysis Center of the State
- First Hospital of Uttarakhand with Cardiac Surgery
- First Bone Marrow Transplant Center of the State
- First Eye Bank and Blood Bank of Uttarakhand
- The ONLY Hospital in the State with PET CT Scan, Bone Scan and Renal Scan Facilities
- The ONLY Hospital in the State with Cadaver Lab
- The ONLY State-of-the-art Neonatology Center of the State
- All Labs, NABL Accredited

Cancer Research Institute (CRI)

Ayurveda Centre

- First Hospital to operationalize PPP for strengthening district Level healthcare facilities with Government of Uttarakhand supported by the World Bank.

ACADEMIC FOUNDATION & PILLARS

Student Centric Teaching & Training

Maintaining a healthy student faculty ratio, we use globally recognized pedagogy for effective and innovative learning. Our academic activities are progressive & professionally recognized. We stimulate learning and deep understanding of the subject with emphasis on practical learning, innovation, skill development and exposure to the latest advancements in the specialist area.

Teaching and learning is inclusive of hands-on experience in specialist labs, guest lectures, industry visits, conferences, seminars, special workshops, research-based projects, assignments/field projects, and practical work.

Heritage of 30+ years of Academic Excellence

Promoted by Himalayan Institute Hospital Trust (HIHT) and with the legacy of Himalayan Hospital (HH) and Himalayan Institute of Medical Sciences (HIMS), the first private medical college in the state, Swami Rama Himalayan University (SRHU) is established under Section 2(f) of UGC Act 1956, enacted vide an Act of Uttarakhand No. 12 of 2013.

Since its inception, SRHU has fostered excellence in the development and dissemination of knowledge through education, research, innovation & technology to transform lives and provide multiple humanitarian opportunities for social upliftment in accordance with Swami Rama's ideals.

Wide range of Academic Programs

With over 45 departments, Faculty of Medicine, Nursing, Management and Science & Technology offer programs that are attuned with the present industrial needs, designed to bring about an overall development of the students that not only instill confidence, knowledge and a strong value system but also help enhance their inherent potential.

UG, PG and doctoral programs are available in Bio Sciences, Engineering & Technology, Management, Yoga Science & Holistic Health, Medical / Paramedical Sciences, Paramedical Sciences, Nursing, Vocational Studies, etc.

Experienced & Competent Faculty

Our dedicated and research-oriented faculty engages the students at all levels and guides, mentors, and counsels them instinctively. They are not only adept at using different tools & techniques to make the learning exciting but they skilfully encourage student participation and involvement. In addition, they monitor the overall progress and provide constructive feedback to the students on a regular basis. A large number of faculty has been associated with us for over 20 years.

Industry Academia Interface

Our university has tied up with over 70 organizations of world repute with an objective to provide opportunities to the students to work on relevant technologies and challenging problems. To name a few Himalayan School of Science & Technology has tied up with IBM, the world leader in IT with an aim that student's academic aspirations meet with the industry's needs and expectations

COLLEGIATE INFRASTRUCTURE

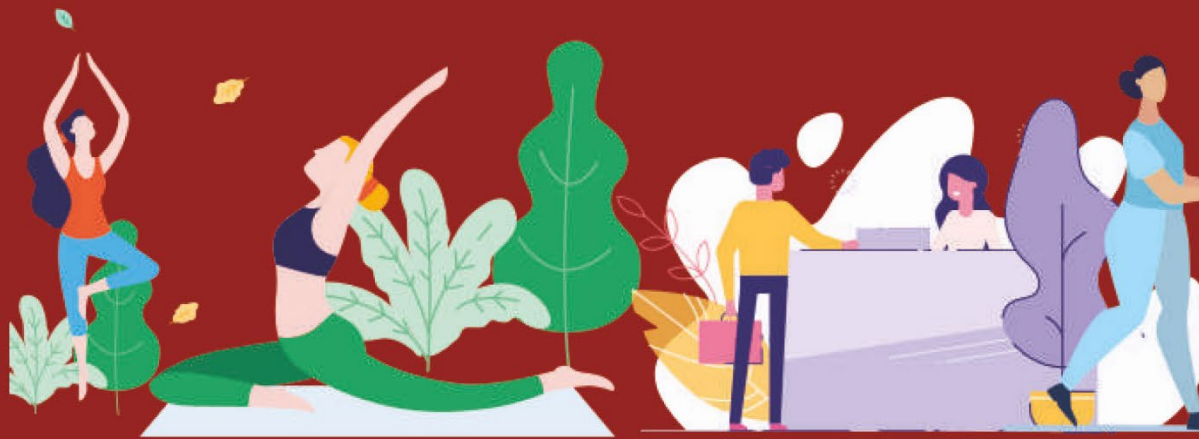

Clean & Green 200+ acres, Ecofriendly Picturesque Campus

With its location at the foothills of the Himalayas and its proximity to the city airport, SRHU campus is eco-friendly & energy efficient, backed with rain water harvesting, sewage treatment plant and solar panels. 43% of University electricity is generated through solar power plants. Through our STP plant 700 cubic meter (7 lakh liters) of water is treated each day. Through rain water harvesting 4 lakh cubic meter (40 crore liters) ground water is recharged every year.

We also established Plastic Bank in association with Indian Institute of Petroleum (IIP) to convert single use plastic into diesel.

Moreover, the lush green spaces at our campus are home to variety and rare species of birds.

1200+ Beds, Largest Private Teaching Hospital of Northern India

Himalayan Hospital is the first private PG teaching hospital of Uttarakhand and the first NABH accredited teaching hospital of the State. With a 1200 beds Hospital covering all specialties and super-specialties, our students get ample opportunity to acquire rich clinical experience.

It is our endeavor to give to the nation, competent doctors who are compassionate, committed to ethical practices and accountable to patients, community & profession.

Besides, Himalayan Hospital is the topmost and leading hospital across India for providing health services under Atal Ayushman Yojna.

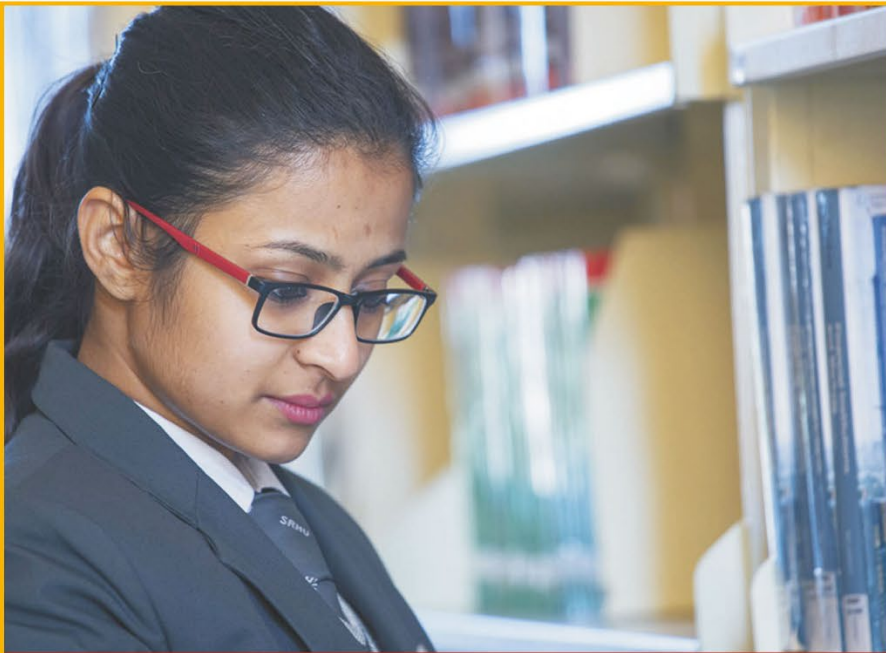

100+ Laboratories nurture Experimental & Experiential Learnings

Our state-of-the-art laboratories equipped with latest equipment not only facilitate technological research, experiments, and measurements but also provide a platform to students to develop scientific and empirical learning. All labs at the Medical College are NABL accredited.

Playgrounds & Sports Facilities for Physical Activities

Integral to fulfilling overall student development and learning needs, our playgrounds and world class sports compound are a place to have fun, relax and maintain good health and well-being. Indeed perfect way to further develop physical, social, emotional and cognitive skills.

Central Library fosters environment for Learning & Teaching

Central library of SRHU acts as a dynamic engine to push the learning and research in the University. It contains a stock of over 30,000 printed documents such as books, reports, printed journals, 4,000+ eJournals, 5,000+ eBooks & across disciplines. A subscription to more than 3,000 journals from major most reputed publishers of the world such as Elsevier, Walter Kluwer, BMJ, OUP, and T&F puts the library on top

among the medical libraries of the country. Reading environment is unmatched with more than 3,000 sqm climate controlled 400 reading seats. In addition, Science & Engineering, and Management School students and faculty are served from two well stocked libraries situated in their respective colleges i.e. Himalayan School of Science and Technology and Himalayan School of Management Studies.

Swami Rama Skills & Simulation Center of Excellence (SSC)

कौशल व अनुरूपण उत्कृष्टता केंद्र
Skills & Simulation Center of Excellence

SSC, one of its kind in Uttarakhand is a state of the art, multi-professional training facility equipped with the most advanced medical simulators and task trainers. At SSC ingrain evidence based simulation proficiency to the healthcare curriculum and healthcare training to the non-healthcare community, undergraduate, postgraduate students and qualified professionals from the fields of medicine, nursing and other allied sciences.

Auditoriums cater to Knowledge Sharing & Creativity

Central Auditorium with a seating capacity of 500 people, acoustically treated, high quality sound system, digital video projectors, the fully air-conditioned auditorium is a quiet & noise free space to hold formal events & activities e.g. guest lectures, conferences, performances etc. In addition, each college has its own dedicated auditorium.

ACCREDITATIONS & RECOGNITIONS

Accredited by National Accreditation Board for Hospitals & Healthcare Providers (NABH)

Himalayan Hospital accreditation by NABH. NABH is a constituent board of Quality Council, established by Government of India that sets benchmarks for progress of the health industry to meet the needs of the consumers.

Accredited by National Accreditation Board for Laboratories (NABL)

All Medical Laboratories accreditation by NABL. NABL is a constituent board of Quality Council of India, established by the Government that conducts testing & calibration of medical laboratories.

Recognized as Regional Center for National Medical Commission (NMC)

The Medical Council of India (MCI) establishes uniform standards of higher qualifications in medicine and grants recognition of medical qualifications in India and abroad.

Recognized as Scientific & Industrial Research Organization by DSIR

The Department of Scientific and Industrial Research (DSIR, Ministry of Science and Technology) carries out indigenous technology promotion, development, utilization and transfer.

Recognized by ICMR as Collaborative Centre for Cancer Research & Services

The Indian Council of Medical Research (ICMR), the apex body in India for the formulation, coordination and promotion of biomedical research, is one of the oldest medical research bodies in the world.

Partnership with Uttarakhand Health & Family Welfare Society

First ever in Uttarakhand, Himalayan Hospital entered into partnership for strengthening of district level healthcare facilities under PPP mode with Government of Uttarakhand supported by the World Bank.

Empanelled Key Resource Center with Ministry of Jal Shakti, GOI

WATSAN-RDI is empanelled as a Key Resource Centre and Sector Partner for National Jal Jeevan Mission, as well as CSR activities of water & sanitation, by Ministry of Jal Shakti, Government of India.

Training Partner with Ministry of Health & Family Welfare, GOI

Besides being Mother NGO, RDI is also a National Training Partner under Rashtriya Kishor Swasthya Karyakram, Ministry of Health & Family Welfare, Government of India.

NATIONAL & INTERNATIONAL COLLABORATIONS

Collaboration for Research & Development with IIT Roorkee (IIT-R)

This collaboration is for inter-disciplinary research and development in the areas of biomedical science, engineering and technology.

Research Collaboration with Rostock University, Germany

This relationship will significantly advance research and development in the areas of biomedical science, computational and system biology.

Partnership with IBC International Business College, Denmark

Together with IBC, SRHU has established SUNCoE, a Center of Excellence for Academic Craftsmanship with Danish Consortium in the areas of applied sciences, education, training and skill development.

Association with Laurea University of Applied Sciences (LUAS), Finland

This association has facilitated sharing knowledge & best practices, promoting student innovation and entrepreneurship, faculty and student exchange, as well as developing joint degree program in future, R&D activities etc.

Collaboration with Global Health Alliance (GHA), United Kingdom

SRHU and GHA have collaborated for mutual cooperation in the field of academics, working together in research & data collection and joint skilling/upskilling activities & training of students and staff.

Understanding with WILEY Through this understanding, the faculty & students have access to the current Custom Collection journals and retrospective via Wiley Online Library content

To prepare the youth of Uttarakhand for employment and entrepreneurship, SRHU and LEARNET have partnered to provide quality skill training

Alliance with Wisconsin, United States of America

This alliance has enabled sharing knowledge & best practices in nursing, faculty and student exchange, as well as developing joint degree program in future, R&D activities etc.

Partnership with Perdana University, Malaysia

Though this partnership, we will work in the field of academics, research and skill development / enhancement, both for faculty and students.

Alliance with All India Institute of Medical Sciences (AIIMS)

SRHU has entered into this agreement for collaborating teaching, training & research activities.

Collaboration with IBM for joint Computer Science programs

Together with IBM, students will have access to Industry aligned programs in niche areas of IT with focus on Dev Ops, Artificial Intelligence & Machine Learning and Data Science.

Agreement with Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow

Through this relationship there will be exchange of information, articles, reports and teaching materials to support the education in professional competencies such as communication, skills, ethics, and professionalism.

Anjali Uniyal (Right) PhD Scholar at Himalayan School of Bio Sciences (HSBS) won the Young Scientist Award.

Sweta Upadhyay (Left) PhD Scholar at HSBS was awarded 2nd position in Scientific Poster Category

Shourya Saini, Win In Shooting Deaflympics

Shourya Saini (1st year, BASLP 2021 Batch) of Paramedical Sciences, HIMS, won Bronze Medal in 10m Rifle shooting in Deaflympics 2021 at Brazil.

Dr. Satyam Taneja, (MS, DNB, Surgical Oncology)
Director - Surgical Oncology, Max Healthcare, New Delhi
MBBS, HIMS | Batch: 1995 (Pioneer Batch)

There was a sense of pride and privilege being part of the Pioneer batch of MBBS at HIMS.

During my time at the Medical College, I felt like the experience and learning were tailored to students' needs. The practical sessions at Himalayan Hospital gave us a solid understanding of physical examinations, patient care, and allowed us to get a good sense of every aspect of medicine to help us determine which field we would like to pursue for residency.

From where I stand today, I often reflect & realize that this would have been an impossible feat were it not for my professors' dedication, the university's support, and HIMS's undying commitment.

Dr. Tanya Varma
(MD), Selective GI and liver fellowship Anatomic & Clinical Pathologist, Quest Diagnostics, Texas, USA
MBBS, HIMS | Batch: 1995 (Pioneer Batch)

Purpose of education could be multifold, however for me the education and real life experiences at Himalayan Institute helped me to shape my life the way it is today. I was very fortunate to have been curated in medicine by an exemplary set of faculty right from pre and paraclinical subjects till end of my internship. The post MBBS job that I took up with Rural Development Institute (an affiliate) gave me an in-depth understanding of what wonders can a simple antifungal or Vitamin A dose can do to help change the sufferings of the rural population. I am forever indebted to Himalayan institute for that and much more. The patient exposure and the strong foundation laid in my medical career was the prime reason that I was able to start off my medical career in United states with confidence. I realized that the overall mentorship I received in every medical subject over 4 years was at par and also in several ways much superior to any medical school across the globe. Besides education, the friendships and associations I made there still hold a valuable place in my life. Thank you

ALUMNI

Rahul Bisht
(Senior Simulation Specialist, BLS and ACLS Instructor) Vidyanta skills Institute Pvt. Ltd., Gurugram
B.Sc. Nursing & M.Sc. Nursing, HCN | Batch: 2010-14 & 2016 -18

I completed my graduation and post-graduation in nursing from Himalayan College of Nursing. I got an opportunity to excel in the area of my interest. The excellent environment helped me grow professionally and personally, making me stand where I am today. The experience at HCN has been unforgettable from the start. The faculty members were always there for you. The best thing about this college is the cross-culture interaction between students from various parts of the world. It is my fortune and honor to have been recognized by this organization and in making me a better person. Thank you all for kind helping hands and building fond memories. I am proud that I was once a student of Himalayan College of Nursing.

Mirika Kesarwani
Software Engineer, Cognizant
B.Tech. (CSE), HSST | Batch: 2016-20

My four years of B.Tech at Himalayan School of Science & Technology (HSST), SRHU Dehradun were full of great learning which have resulted in starting my career from one of the premier organizations.

I will cherish memories of my alma mater for lifetime.

The University leaves no stone unturned to enhance the skills of its students towards achieving their career goals.

Neha Pal
Senior Associate, Ernst & Young
B.Com (H), HSMS | Batch: 2016-19

Himalayan School of Management Studies (HSMS), SRHU is a place where I got excellent opportunities to develop the management knowledge and skills that helped me get placed at E&Y.

Besides, the value system practiced helped me become more responsible as a citizen of the nation.

My University's memories will always be dear to me.
