# Introduction

## I3C Information and Career Counseling Centre

Simplified Career Solutions

I3C – Information and Career Counseling Center exclusively presents this E – Book which is a first of its kind made for MBBS aspirants. This small, yet precise book gives a total insight into the process of counselling, Registration process, Eligibility criteria, List of Deemed colleges, Fee structure, Cut-off Rank for all the rounds. Comprehensive information in one platform which saves your time of looking for it in multiple platforms. Most of the 10+2 / II PUC students who gain eligibility to get seat through Under-Graduate NEET exam, feel themselves clutched with loads of confusion. Aspirants who have scored good marks, end up not getting a seat whereas, students with average score succeed in procuring a MBBS seat. Most of them miss a seat just because they are not aware of the process of seat allotment in the present system. Many even with higher budget end up wasting one precious year just for a simple mistake. This E- Book gives better guidance and overview of the entire process in a simple and understandable format. This particular E-Book is for the candidates who are looking to get their desired seat in Deemed Medical Colleges across India. To explore more about the State or MCC counselling seats under Government or Private quota check our other E-Book.

“Hard work, Learning and Right guidance is the secret ingredient for success”
