INTRODUCTION TO E-BOOK 2021-2022

I3C – Information And Career Counseling Centre

- Simplified Career Solutions

I3C – Information And Career Counseling Center exclusively presents this E-Book which is a first of its kind made for 10+2 / II PUC aspirants. This small, yet precise book gives a total insight into the process of Counseling, Registration process, Eligibility criteria, List of DMER colleges, Fee structure, and Cut-off Rank for all the specialties across HARYANA. Comprehensive information in one platform saves you time by looking for it on multiple platforms.

Most of the 10+2 or 2nd PU Passed students who gain eligibility to get a seat through the Under-Graduate NEET exam, feel clutched with loads of confusion. Aspirants who have scored good marks, end up not getting a seat whereas, students with average scores succeed in procuring a UG MBBS seat. Most of them miss a seat just because they are not aware of the process of seat allotment in the present system. Many even with higher budgets end up wasting one precious year just for a simple mistake. This E-Book gives better guidance and an overview of the entire process in a simple and understandable format. This particular E-Book is for candidates who are looking to get their desired MBBS seat in DMER Medical Colleges across HARYANA. To explore more about the State Counseling seats under the Government or Private quota check our E-Book.

“Hard work, Learning, and the Right guidance is the secret ingredient for success”
